

LEARN LANGUAGES IN AARHUS

Preparation Courses for International
Language Diplomas and Certificates

Why learn a foreign language?

No matter what future plans you may have, mastering a foreign language will undoubtedly enhance your profile and elevate the quality of both your personal and professional life.

In addition to offering a diverse range of language courses, FOF Aarhus also provides the opportunity to take official exams to certify your language proficiency in English, German, or French.

EXAMS

Participating in the exam is optional. You are welcome to join the classes without any obligation to take the exam afterward. However, if you are planning to pursue an official certification, we highly recommend enrolling in a preparation course.

Exams are conducted once or twice a year in and around Aarhus, subject to a minimum number of candidates registering for the exam.

For more information about our courses and exams, please visit our website.

FREE ONLINE TEST

Before enrolling in a course, we suggest taking our complimentary online test. The test can be accessed at the bottom of our homepage. Please note that completing the online test may take more than an hour.

If you require assistance in interpreting your test results, please feel free to reach out to a staff member in the Department of Foreign Languages at FOF Aarhus.
